contributions to the trophy case by the class of 1965 over a period of three years.

. . . we're from hingham high school, harbormen are we . . . more than anywhere else the excellence of the class of 1965 was shown in athletics . . . our football team had the best record since 1961 and was the second highest scoring team in the state. the hockey team was the first in the history of the league to finish the season unbeaten and untied, and over three years compiled the longest winning streak in massachusetts. the basketball team was the best in modern hingham history finishing second in their league and qualifying for the tech. tourney. team success was caused by individual ability and cooperation. the soccer team, in its first year, had one all-scholastic. the football team had three players on the all-state honorable mention list and one all-scholastic. the hockey team had 5 more players than ever before on the league's all-star team. there were four all-star basketball players who led the team to the quarterfinal round in the tourney . . . the girls, not to be outdone, had a field hockey team which only lost one game and a basketball team which played in a state-wide tournament. the seniors leave their records for following underclassmen to break . . .

The Grand March

MR. AND MISS H.H.S.
Russell Garland and Cheryl Rice

. . . we are growing, as is our school,
from a foundation laid firm for endurance . . .
there have been moments to test our strength,
and moments to recognize it . . .
many of the school's past records
have been broken,
both scholastically and athletically . . .
some of us have led . . .
some have followed . . .
all have contributed,
though not all have been recognized
for doing so . . .
this year, above all, we have known
what school spirit is,
and our teams have repaid us for it by
being either undefeated or nearly so
in everything . . .
our friends . . .
our school . . .
our reputation . . .
so much to be proud of . . .
so much to remember . . .
and we are the seniors . . .

Dear Pat,
All I can
think of to say is
true, but I guess
I'd have to say it's
that's queer! It's been great sitting
in the back row in French - hope
we get in the same less next year!
Water out for those parents
Best of luck always! Have a blast this summer!
Always Bobby -65"

I'll see summer
fat, I hope you this summer
a lot of people and next year. Maybe we
and go down to the right people).
With the right Be good,
always Nancy
